VISION AND MISSION

VISION

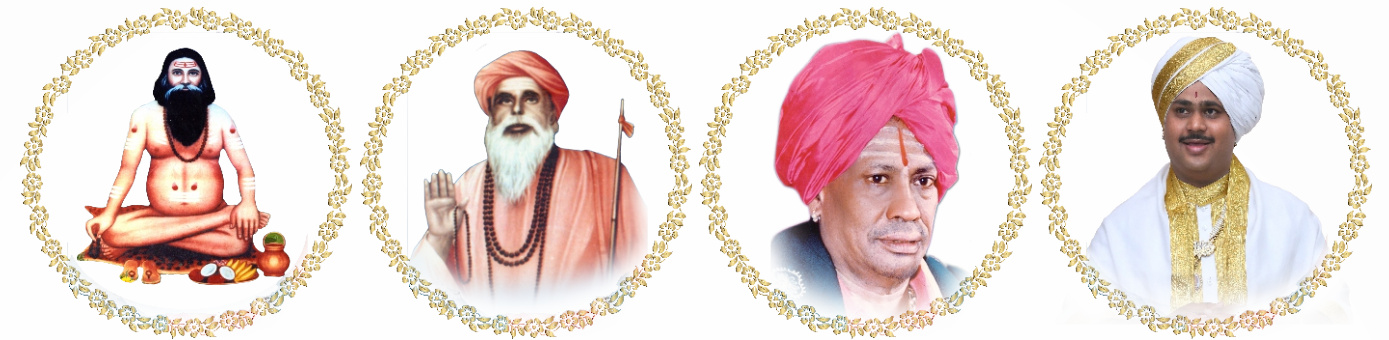

Since the establishment of Sri Siddharameshwar Ayurvedic medical college, Hospital & Research Center under the flagship of Yellaling Education Trust's at Bidar in 1997, The institution pledges for the well being of society by innovating our students in their roles as physicians, mentors and scholars, piloting education model to address emerging needs in health care and enriching the society with compassionate care givers who are shaping the field of science and medicine throughout the country with their expertise and wisdom.

MISSION

- To nurture a diverse, inclusive community dedicated to alleviating suffering and improving health and well being for all through excellence in teaching, learning, service and leadership. Siddharameshwar Ayurvedic medical college, hospital and Research centre is uniquely positioned to steer education and health care in directions that will benefit local, national and global communities.
- To create an ambience in which ancient science flourish with new ideas and innovations.
- To provide an education that transforms students through rigorous course work to understand and apply the knowledge to strengthen the society.
- The core values adopted by the institute as enduring principles are Integrity, Excellence, Accountability, Transparency and Empathy.
- Teaching and learning shall be carried out in an environment of academic freedom and honesty. The institution will adhere to the highest standards of ethics in all its activities and is committed to excellence in all spheres of its activities and through internal and external reviews, will work towards continuous improvement.
- To impart Ayurvedic expertise with theoretical, practical and clinical knowledge and prepare them to take on health challenges faced by the society and achieve the longevity of the living and make this world a better place to live in.

INTRODUCTION TO AYURVEDA

Sarve Janaa : Sukhino Bhavantu | Sarve Santu Niramaya : |

Ayurveda means the science of life. The main aim of Ayurveda is to maintain the health of the individual along with cure the diseases. The Ayurveda has its origins from the India and extended its wings in various parts of the world.

Message From Chairman

Dear Friends / Parents

In this competitive era learning should not "just know things" rather based on doing things efficiently. The skill of knowledge can be acquired through education which becomes a motivation to the learner and they can apply and relate to real life solution. Thus our aim is to give best education to the youths for their future endeavors and elevation in the society. Our deep root belief is in academic excellence and not to compromise on curriculum standards or discipline of our institution. To provide explored knowledge, enriched values and excelled academics is our key to achievement. An awareness of the conditions of the weaker sections of our society and contributions towards solution of their problems will form an integral part of the research and education programmes of the institute. It is with the utmost gladness I welcome you to Yellaling Group of Institutions.

With best wishes.....

ABOUT INSTITUTION

Established in the year 1997 at Naubad in Bidar, The institution has evolved along with time, with an academic intake of 60 students every year. The college is well equipped with requisite facilities in all departments rendering the course as mandated by the statutory bodies RGUHS, CCIM and Department of AYUSH. The teaching facility is attached with a 60-bedded hospital, The classrooms are equipped with projectors and the laboratories with latest facilities that provide controlled conditions in which scientific experiments and dissection can be carried out. The college is also having Herbal Garden facility.

Principal

We are pleased to inform that Sri Siddharameshwar Ayurvedic medical college and hospital has been granted recognition for undergraduate course for award of BAMS degree by the Govt. of India (Ministry of Health and Family Welfare). The annual intake for BAMS students has been approved for 60 students per year. The recognition is valid for next five years.

Keeping our commitment to excellence in teaching and patient care, we have appointed faculty who not only excel in their professional field but also guide the students in all their academic and co-curricular activities. Our college takes pride in being a place where students and faculty can pursue knowledge without boundaries. Our dedicated faculty and administrative staff, supported by our pillar of strength i.e. our ownership has the commitment to quality healthcare, education and research keeping to the needs of the local community.

We strive to achieve quality in education while ensuring overall development of the students. We also recognize the importance of providing a supportive and simulative learning environment using innovative teaching, learning strategies and technological advances. Our institution provides comfortable and peaceful stay in the campus with all facilities for recreation and healthy living with care.

As a part of our motto, the entire team of teaching, non teaching and Hospital staff of our institution have pledged to dedicate their lives to build a new vibrant Ayurvedic Vaidyas.
